

GUM-SOLV

A

"MAJOR BREAKTHROUGH" IN THE REMOVAL OF CHEWING GUM

But wait a minute?

**This product has many other uses
it can also be used to remove or clean:**

Blu-tack, plasticine, candle wax, all types of adhesives (super-glues), graffiti, whiteboards, grease, tippex, black scuff marks, lipstick & much, much more.

(The product is that amazing it also deodorises!)

GUM-SOLV CAN MAKE THE REMOVAL OF CHEWING GUM FAR EASIER THAN YOU EVER IMAGINED, AND LEAVE THE SURFACE LIKE NEW.

GUM-SOLV WILL CUT YOUR LABOUR TIME IN HALF (AT LEAST) AND YET IS SAFE FOR OPERATOR USE AND FOR THE ENVIRONMENT

GUM-SOLV CONTAINS NO CFCS OR OTHER HARMFUL SOLVENTS, AND YET IS MORE EFFECTIVE THAN THE POPULAR FREEZE DRY OR LIQUID METHODS

GUM-SOLV IS COMPLETELY BIODEGRADABLE.
